

SRI DHANVANTARI AYURVEDIC CHIKITSALAYA

Authentic Ayurveda & Panchakarma Center

Dr. V. K. Sharma, B.A.M.S., M.D. (Ayu)
Reg No: AYU-KA-90827
14, Main Road, Banaswadi, Bengaluru
Phone: +91-98765-XXXXX

Date	15-May-2026
Patient Name	Mr. Harish
Age / Sex	45 / Male
Weight	74 kg

Chief Complaints (Nidana):

- Severe pain and stiffness in bilateral knee joints (aggravated during mornings).
- Throbbing pain in the frontal and temporal region of the head (since 2 weeks).

Ayurvedic Diagnosis (Roga):

- Sandhigata Vata (Osteoarthritis / Vata aggravation in joints)
- Vataja Shirashoola (Tension / Vata-predominant headache)

Rx (Chikitsa / Medications):

1. Tab. Mahayogaraj Guggulu

Dosage: 2 Tablets, twice a day (BD).
Timing: After food.
Anupana: With lukewarm water.
Purpose: To reduce joint inflammation and Vata dosha in knees.

2. Mahanarayan Taila (Oil)

Dosage: Quantity sufficient (Q.S.).
Instructions: Gentle external application (Abhyanga) on both knees twice daily. Do not massage vigorously. Apply warm fomentation (Swedana) after application.

3. Tab. Shirashooladi Vajra Ras

Dosage: 1 Tablet, twice a day (BD).
Timing: After food.
Anupana: With warm milk or water.
Purpose: For rapid relief from headache and migraine-like symptoms.

4. Pathyadi Shadanga Kashayam (Decoction)

Dosage: 15 ml Kashayam mixed with 45 ml warm water.
Timing: Twice a day on an empty stomach (morning and evening).

Pathya & Apathya (Diet and Lifestyle Advice):

Pathya (To Do): Consume warm, freshly cooked food. Include ghee, ginger, and garlic in the diet. Use hot water bags for knee pain.

Apathya (To Avoid): Strictly avoid cold water, refrigerated foods, curds at night, sour foods, and exposure to cold winds. Avoid heavy physical strain on knees.

Next Visit (Follow-up):

After 15 Days.
